Date.	*Periyar lake level.*	*Date.*	*Periyar lake level.*
1st June 1961	116·85	28th June 1961	133·10
2nd June 1961	116·85	29th June 1961	136·60
3rd June 1961	116·70	30th June 1961	140·80
4th June 1961	116·45	1st July 1961	145·20
5th June 1961	116·30	2nd July 1961	149·00
6th June 1961	116·20	3rd July 1961	152·00
7th June 1961	116·95	4th July 1961	152·00
8th June 1961 . ..	118·20	5th July 1961	151·50
9th June 1961 . ..	120·80	6th July 1961	151·90
10th June 1961	121·60	7th July 1961	151·50
11th June 1961	122·80	8th July 1961	152.00
12th June 1961	123·40	9th July 1961	152.00
13th June 1961	124·10	10th July 1961	152 00
14th June 1961	124·80	11th July 1961	152·00
15th June 1961	123·30	12th July 1961	152·00
16th June 1961	123·70	13th July 1961	151·95
17th June 1961	126·00	14th July 1961	151·85
18th June 1961	126·20	15th July 1961	151·65
19th June 1961	126·30	16th July 1961	151·45
20th June 1961	126·40	17th July 1961	151·35
21st June 1961	126·40	18th July 1961	151·40
22nd June 1961	126·30	19th July 1961	151·20
23rd June 1961	126·25	20th July 1961	151:35
24th June 1961	126·10	21st July 1961	151·35
25th June 1961	125·90	22nd July 1961	152·00
26th June 1961	115·90	23rd July 1961	151·90
27th June 1961	129·60		

(*b*) The supply usually drawn through the Periyar tunnel during the Irrigation season varies from 800 cusecs to 1,200 cusecs depending upon the power and irrigation requirements. Occasionally the limit of 1,200 cusecs is also exceeded, if necessary and possible.

(*c*)—

Period.	*Madurai district. (Supplies drawn through Periyar tunnel).*	*Ramanathapuram district. (Supplies drawn through the tunnel and the natural flows of the Vaigai river.)*
(1)	(2)	(3)
1. One week prior to lake getting full from 26th June to 2nd July 1961.	Average of 1,080 cusecs daily.	No supply from 26th to 30th June 1961. Supplies let down on two days 1st and 3rd 1961—1,255 cusecs and 2,345 cusecs respectively.
2. For the period 3rd to 23rd July 1961.	Average of 1,385 cusecs daily.	Supplies let down from 3rd July to 23rd July 1961—average—2,000 acres.
